

# SWIMMING

RED CROSS LEVELS

## SWIM PRE-SCHOOL AGES 3 MOS. TO 6 YRS.

### PARENT & TOT | AGES 3 MOS. TO 3 YRS.

This refreshing class will introduce your little ones to the joys of swimming. They'll be taught submersion techniques, front and back floats and glides, front kicking, and front swim. Tots will also learn how to hop into chest-deep water, with the help and safety provided by their caregivers.

### SEA OTTER | AGES 3 TO 6

Little swimmers will kick their legs with the help of an instructor, and work on their front and back floats and blasting off the wall to learn front and back glides. When they finish these lessons, they'll be able to swim one metre unassisted.

### SALAMANDER

Get your kick on with the front and back glide, improve your front and back float, and take an unassisted jump into the water! Swimmers will complete two metres of continuous swim all by themselves.

### SUNFISH

Kick, glide, float, and swim! Swimmers become little fish as they perform front and back glides, float in deep water, and swim five metres. They'll also learn how to safely enter deep water and swim with a personal flotation device.

### CROCODILE

Swimmers perform the front and back glide, further developing the move with kicking. They'll learn front and back swim and take a leap into the deep end, swimming in these depths with the help of a personal flotation device. Watch them take off as they swim 10 metres continuously.

### WHALE

Swimmers will kick to greater distances with the front and back glide, go even further with their front and back swim, and perform 15 metres of continuous swim.

## SWIM KIDS AGES 6+

### LEVEL 1 | AGES 6+

Little experience is needed to learn these basics. Includes assistance with front and back glides, front and back floats, flutter kick, entering and exiting from shallow waters, and swimming up to 5 metres.

### LEVEL 2

When the basics are covered, continue to improve the distance on your front and back glide by adding the flutter kick to the mix. You'll learn the front swim, perform assisted deep-water activities, and reach new swimming milestones by completing the 10 metre distance.

### LEVEL 3

Swim even further using front and back glides with the flutter kick. We'll introduce you to the importance of using a personal flotation device and floating in the deep end, and bring your swimming distance up to 15 metres.

### LEVEL 4

Continue your swimming progress with new water moves like the back swim with shoulder roll and front crawl. You'll learn how to flutter kick on your back, and be introduced to the kneeling dive and sculling, all while achieving a new swimming distance of 25 metres.

### LEVEL 5

Swimmers dive into deeper skill-building as they further develop their front crawl, and improve their back skills into full back crawl, going as far as 15 metres. Learn how to whip kick on your back, stride dive, and tread water. Perform head-first sculling while on your back, while doubling up on your distance by reaching 50 metres.

### LEVEL 6

Increase your distance to 25 metres with front and back crawls. Swim 15 metres once you learn the elementary backstroke, and learn to dolphin kick and tread deep water.

### LEVEL 7

Swim longer distances as you build your water skills. Swim 50 metres with the front and back crawl, 25 metres with the elementary backstroke, and 150 metres of continuous swim. Learn the front scull, stride entry, and perform the front whip and dolphin kicks.

### LEVEL 8

Swim further with the front and back crawl (75 metres), the elementary backstroke (25 metres), and continuously swim up to 300 metres. You'll be taught how to swim 15 metres of breaststroke, learn eggbeater, and perform a feet-first surface dive.

### LEVEL 9

Go the distance! Complete 100 metres of front and back crawl, 50 metres of elementary backstroke, 25 metres of breaststroke, and 400 metres of continuous swim. Learn sidestroke kick, and master the head-first surface dive.

### LEVEL 10

In the final level, swimmers will reach longer distances in their front and back crawl (100 metres), elementary backstroke (50 metres), breaststroke (50 metres), sidestroke (25 metres), and reach 500 metres in continuous swim. Learn how to perform the vertical dolphin kick and graduate your surface diving with underwater swim.

# PERSONAL TRAINING

## PERSONAL TRAINING

Whether you are looking to increase muscle strength, lose weight, or achieve specific training goals, we have a fitness professional committed to helping you improve your overall health and wellness. Our certified personal trainers are dedicated to helping you achieve your optimum fitness level by sharing their expertise in holistic wellness by improving your cardiovascular, muscular strength, and flexibility. Personal training sessions are booked for 45 minutes per visit.

Please visit us at the Accora Centre or e-mail us at [play@accoravillage.com](mailto:play@accoravillage.com) for more info!

### CONSULTATION\*

With the exception of the Kick Starter Package, all new clients must purchase a consultation prior to beginning a personal training session. The purpose of the consultation is to allow you to meet your personal trainer and for the trainer to discuss the details of your personal fitness goals. Together you will build a fitness program that meets your specific needs.

## KICK-STARTER PROGRAM

Are you just starting your fitness journey or getting back to the gym after a long break? Our certified Personal Trainers are there to motivate you along the way! The Kick Starter program is designed to get you into the groove with a routine built around your personal needs.

The package includes:

- **3 Month Platinum Membership**

- **Initial Consultation and Physical Assessment**

You'll break the ice by having a one-on-one meeting with your personal trainer. This will allow you to get to know one another on a professional level and for the trainer to discuss the details of your personal fitness goals.

You will also undertake a physical assessment that will include strength and flexibility measurements to set baseline goals. Together you will build a fitness program that meets your specific needs.

- **8 Personal Training Sessions**

Your Personal Trainer will go through your fitness program step by step, focusing on building proper technique and motivating you along the way. Booking the sessions is at the discretion of the client, however we do recommend seeing your trainer at least once per week.

- **Final Assessment**

You will have one final check-in with your Personal Trainer at the conclusion of your program to evaluate how far you've progressed. Your program will then be updated to keep you moving forward! If you feel that you would like to continue with your personal trainer, you will have the opportunity discuss the packages we offer.
